There is nothing more fun than exploring the world through wine. From the well known to the yet to be discovered. At White Oak Kitchen & Cocktails we select wines that allow you to explore new regions or simply enjoy your favorites. Our sommeliers and purveyors seek out small wineries, many using biodynamic and organic methods, who offer great wines and a great value. We also offer wines from some of the most beloved and recognized names.

Our wine list is organized as follows.

- Alphabetically by country and region, with subcategories by varietal, and when relevant, by subregion.
- Half bottles of some special wines are listed separately on the page following the by the glass offerings so you may course your wine selections with your dining experience.
- Magnums are listed within each section of the specific varietal and region.
- Reserve and Allocated California Cabernets are listed on the last few pages of the list.
- Wines by the glass can also be found on your dining menu as well as on the next page.

Our service team is here to assist with any questions. Explore and enjoy!

Due to limited allocations, availability of wines and vintages are subject to change.
